Location	Fictional training room
Historical outcome	Mat replaced; case closed 2024-08-16 14:00 +10:00

Description

FICTIONAL TEST: trip hazard found during a scheduled visit; no injury.

Immediate response

Moved the loose mat and checked the area.

Reportability

Requires authorised review. This sample does not make a reportability determination.

Recordkeeping exercise

Store this original as an attachment to the imported historical incident. The CSV creates the structured case; uploading this PDF or its scanned PNG alone does not extract case fields.
